Connie Johnson

I am thrilled to be a part of ESA. I have received my 1st Pearl, 1st – 3rd Degree Pallas Athene and have been a member of ESA for 6 years.

I have volunteered at the Radio-thon for several years and look forward to it each year. I have also volunteered at the St. Jude Dream Home and at the Dream Home Giveaway.

I have participated in many local ESA fundraisers including “A Taste of Guthrie” and ESA “the Ole Bag” Auction and Miss Guthrie Teen Idol competition. For the past several years at State conventions, I have received several honors and awards including service years, 1st in the “What ESA Means to Me” essay and placed 2nd in the short stories contest.

I am also a member of the Guthrie Lions Club where I previously served as an officer. Through the Lions Club, I have worked our annual Pancake Feed and Fish Fry which serve to raise money for student scholarships.

My hobbies include hanging out with my family and friends, shopping and going to concerts and movies.

I would be honored to be the Parliamentarian for the Oklahoma State Council for the 2011-2012 year.

My qualifications for this office are:

State Appointed: Awards Chair, Administrative Assistant Chair, Jonquil Girl

Chapter: President (2), Secretary (2), Parliamentarian, Publicity Chair (2)

District: Secretary
